

The Wilf Ward Family Trust

Gender Pay Gap 2021

Introduction

The Wilf Ward Family Trust is a charity based in Yorkshire providing social supported living, respite and residential services to people with learning difficulties. We have approximately 80 services, and employ just under 800 employees.

Our mission is to Challenge ourselves and others to provide choice and opportunity for adults with learning disability. This can not be done with out our commitment to provide an outstanding working lives for the people who work with us. The last few years have been nothing like anything we have experienced before. We have got through these difficult times due to the commitment and resilience of people working at the Trust.

This year we are proud to have a 0% median gender pay gap and a 0% median bonus gender pay gap, this is in comparison to a UK average 7.9% * median gender pay gap for full time employees.
