## Gender Pay Gap 2023

### Introduction

The Wilf Ward Family Trust is a charity based in Yorkshire providing social supported living, respite and residential services to people with learning difficulties. For the reporting period we had approximately 75 services and employed just over 850 employees.

Our mission is to challenge ourselves and others to provide choice and opportunity for adults with learning disabilities. This can not be done without our commitment to providing an outstanding working lives for the people who work with us. The last few years have been nothing like anything we have experienced before. We have got through these difficult times due to the commitment and resilience of people working at the Trust

This year we are able to report a 0.09% Median Gender Pay Gap and a 7.28% Median Bonus Gender Pay Gap, this is in comparison to a UK average of 7.7%\*.
